FROM THE PREZ

Well, Valentines Day is just around the corner and I am still trying to find a burl in the shape of a heart. I was lucky enough to be able to watch Richard Raffan, one more time, thanks to the Centre. It's always a pleasure to watch him, he is truly one of the best demonstrators.

The Del Mar Fair is a couple of months away, so if you are going

## Dave Regester

The San Diego Woodturners proudly present the world renown woodturner, Dave Regester. Dave last visited our club on June 5, 1999 and put on a terrific demonstration that we all enjoyed.

Dave's demonstration will start at 9:00 A.M. on Saturday February 17<sup>th</sup> at the San Diego Woodturning Centre. Dave is most famous for his skew work. Dave has been a professional woodturner since 1974, is the author of five books and has been a woodturning teacher back in England. Dave's writings also appear in Woodturning Magazine, in fact he has an article in the February 2001 issue on "Finer Flutes" a report on the three main types of turning gouges.

Coffee and refreshments will be served before the demonstration, there will be a club raffle and the demonstration cost will be \$15.00 for members and \$20.00 for nonmembers. See you there!

## Raffle Report

The January raffle was a success once again. The Mastercut bowl gouge is obviously very popular, so we will plan on having more Mastercut gouges and possible Glaser gouges in future raffles.

The February raffle will include a couple of tools that we have not had recently. We will feature an electric chain saw and a 6" Ryobi grinder. As I promised at the January meeting, I have an autographed Richard Raffan book (Turning Wood) with the companion video. This is an excellent book and video combination. All three of these prizes have retail values of \$35 or more.

As always, I am looking for prize ideas. Please let me know what you would like to win. My phone number is (858) 586-0562. In all raffles, we will always try to have at least one premium prize along with assorted other items.

Since there was such an interest in our January topic of green wood turning, I have ordered ten copies of the "Turning Green Wood" books by Michael O'Donnell. They should be here for the February meeting.

## INSTANT GALLERY

We had a very good gallery at the last meeting with many fine entries. The following were rewarded for their work by the vote of their peers:

Novice

Don Werth

Intermediate

Ken Pholbrook

Advanced

Tom Cummings

Master

Mike Lonnecker

In addition the following people have accumulated two wins in class and will move up a class plus receive a \$25.00 gift certificate:

Don Werth

Oskar Kirsten

Tom Cummings

Herb Hotaling

Joe Flemming

The check is in the mail.

According to the rules of the instant gallery, a person moving up a class takes his entry points to the next class. As we have just had 5 people move up the entry points have been really shuffled. For instance Tom Cummings moved up to master class and displaced Don Owen as the leader. However the people that win the most seem to win the most and when they move up, a hole can be opened in the class they left. The point is that it ain't over till it's over, so don't give up, keep bringing those beautiful entries.

Happy Turning

## NEXT MEETING

**Saturday, 9:00 AM**

**Feb. 17, 2001**

**SAN DIEGO  
WOODTURNING  
CENTRE**

**Shavings from page 1**

to enter something you better get on it. The entry deadline is April 27<sup>th</sup>. We are looking for a Del Mar Fair Chairman, so if you would like the job please call Don Owen A.S.A.P. (619) 426-1457.

We have a need for a new Instant Gallery Chairman starting in June. Mike Lonnecker has done a fantastic job for the past couple of years and he would like to have a break for a while. We also have an opening for a Board Member. If you would like to help in the running of the club we would sure like to have you. Call me or talk to me at the meeting.

We are upgrading our Video Library, so watch for new tapes coming in the next month or two. We are also starting a book library. So if you have a book or two you would like to donate (it would make a great tax write off) bring them to any meeting.

Please renew your dues if you have not done so yet. You might also think about joining the American Association of Woodturners (AAW). General dues are \$25.00 per year but it is worth it just for the magazine that you received quarterly.

We are going to try something new. Our nametags are a little boring and hard to read. So to promote a little personal creativity and club pizzazz the club will provide a two inch round sticker with your name on it, to fit into a turned nametag of your own creation. You can make it any size you want as long as you make a shallow 2-inch wide recess in it to accept the name sticker. Examples will be at the meeting.

We have changed the Board Meeting Day to the last Tuesday of each month to give more time to prepare the newsletter and prepare for the next scheduled club meeting. Please feel free to come to any Board Meeting to listen in or voice an opinion. We would be glad to have you there. They start at 7:00 p.m. at the San Diego Woodturning Centre in Poway.

Let the chips fly

Your Club currently offers members an opportunity to rent videos by world-renowned woodturners. Well, now the Club would like to offer members an opportunity to borrow books and magazines on all aspects of woodturning. We would like to ask each and every one of you to look through your personal book collections, that may be just gathering dust on your shelves, and consider donating some of your books and magazines to the Club to build a lending library. Because we are now a tax-exempt organization you can get a tax deduction for your donations.

To further develop the skills of members we would like to obtain books on woodturning and related subjects such as: metal turning, carving, wood burning, building your own lathe or filtration system, inlay, identifying woods and creative coloring and finishing.

The Video librarian would like to remind all who have rented videos to return them at the next meeting or mail them to Lynn Moon, Box 972, Rancho Santa Fe, California 92067
