

SHAVINGS

FROM THE PREZ

With woodturning being my biggest passion (other than family, of course) having a big plate of Art Bolic's BBQ Ribs is a close second. And if you come to our Annual BBQ Saturday, May 12 this just might become one of your passions. The food that Art Bolic catering provides is always second to none, and the same goes for our instant gallery at our annual BBQ's. These two events are always the highlight of the year.

Let's not forget the contest that we always have at this meeting. This year it will be turned **boxes**. The rules are you must turn it on a Lathe and it must have a lid on it that can be opened or removed. You have about a week left so get on it. These contests are always fun to see all the different interpretations of lidded box.

The Annual Bowl Raffle is always fun to participate in. You just can't beat a chance to win a world class turning at just \$2.00 a ticket. So bring your wife, bring your kids, and bring your chairs. We will see you there!

San Diego Woodturners'

Annual Picnic

Don't miss this big family event!

Pat and Ken Roth will host the San Diego Woodturners' Picnic at their beautiful home in Poway on Saturday May 12th, from 10:00 AM until 2:00 PM. The Roth's picturesque country setting backdrops the first most popular family event of the San Diego Woodturners' calendar year. The "sunshine fund raffle" will feature many turned pieces donated by some of the most outstanding club turners. This will be a chance for you to get an outstanding, one of a kind, piece for your pleasure and enjoyment plus help the Club's Sunshine Fund. Then there will be our regular instant gallery where we will undoubtedly see some of the outstanding pieces that will appear at the Del Mar Fair.

Wait! Our woodturning contest for this year's picnic will be turned boxes with lids that can be opened or removed. Winners will be selected in each of the following class: novice, intermediate, advanced and masters. Each winner will receive a gift certificate.

Now for those of us who like to eat we will not be disappointed. Our own in-house caterer, Art Bolic, will dazzle and delight us with his wonderful selection of culinary delights. I know that Don Owen is already planning to make a beeline for the barbecued ribs. If you read his column you know that he places them second behind his family and that is only because his wife reads this newsletter also. This event is worth it just for the food alone.

The cost for all of this will be a mere ten dollars per person, same as last year, and kids this year will get in free!

See page two for directions to the picnic.

April Raffle Report

Well, April's raffle was a big event for all those that attended. In fact, it was a great big event for Chuck Lubbers who won the air filtration system. Chuck is now thinking about buying a lathe so he can try out his newly won system. Not only that, the raffle chairman said that he will try to get a 1 ½ horse powered Jet dust collections system for the July raffle. When Chuck heard that he tried to buy advanced tickets for the July raffle.

INSTANT GALLERY

The May meeting should be an interesting one from an instant gallery standpoint. Along with our regular gallery, which should be great by itself with all the fair entries, we are having the special annual BAR-B-QUE gallery. The subject of the special gallery, as announced last month, will be BOXES. As you may recall the rules are that it must be turned and have an opening lid or top.

In addition to the galleries, the winners of our yearlong gallery entry contest will be announced. Should be interesting to see who won, we had some folks changing classes at the last minute.

The gallery at the April Wednesday night meeting brought in 20 entries. I was glad to see the Advanced class entries pick up, but where are all you intermediate turners.

See you at the BAR-B-QUE.

July General Meeting

We are planning a great July meeting patterned after the Provo, Utah symposium. It can best be described as a "mini symposium". You don't want to miss this one!

We will be setting up three work demonstration stations at the San Diego Woodturning Centre. The demonstrations will last approximately one hour and fifteen minutes. There will be four rotations, two in the morning and two in the afternoon. We also plan to have Art Bolic cater lunch for us, which is always fantastic.

The following demonstrations are being planned:

Thread chasing
Buffing and finishing
Turning Boxes
Turning platters
Using the McNaughton Tool
How to orient wood to obtain the
best finished piece
Turning natural edged bowls
Vacuum chucking
Taming the skew
