

SHAVINGS

FROM THE PREZ

Hello Everyone,

Well, the holiday season is here. As you read this, Studio 21 should be in full gear with the Christmas party just around the corner. For those that have come to our Christmas party before, we look forward to seeing you again. If you have been to one, plan to come for a few hours of great fellowship and an all-around good time. Don't forget to bring a turning-related present to exchange. An ornament too, if you can.

2002 has been a great year for the club. We have grown to about 180 members, we raised more for the Toy-for-Tots program than ever before, the mini symposium was a great hit, and the fun just continues. We will be having lots of great programs for 2003, so keep on coming.

Here's wishing you a happy holiday season and a great new year.

December 2002

15th Annual Nan Bushley Christmas Party and Gift Exchange

December 7th will be the San Diego Woodturner's 15th Annual Christmas Party and Gift Exchange. The party will run from 10am to 2pm and will be at the San Diego Woodturning Centre.

So many times at club meetings, there is very little time to mingle with your fellow turners to talk shop, share war stories, and bemoan that prize tree that got away. Well, the Christmas party is made to order. Come and join us for a fun-filled time of food, talk and gift-sharing.

We are asking you to bring finger food for ten people. If you would like to participate in the gift exchange, please bring a wrapped gift. Only those that bring gifts will receive a gift. Bring something that you have turned or a turning-related item. We will also have an ornament exchange. This will work just like the gift exchange, so wrap a turned ornament to share as well.

Bring your significant other and family and come celebrate the holidays with us. We look forward to seeing you there.

Top-A-Thon Wrap-Up Take Two!

I guess I spoke a little too soon. Due to a conflict with the Marines, the shopping trip did not occur on November 19th as originally planned. Instead, the trips to both Oceanside and Chula Vista will be at 7:30pm on December 3rd. The final results, of course, only get better by waiting. We are now over **\$3,800!**

If you would like to help, please contact **Lorin Youde** who will be leading the charge at the Oceanside WalMart and **Don Owen** who will be heading up the Chula Vista WalMart binge. WalMart has graciously donated to the cause by giving us a 10% discount. So put on your shopping shoes and come out to help. Contact Lorin at (760) 436-4749 or Don at (619) 426-1457 for additional details. Please continue to help make this Christmas a little brighter for less advantaged children.

SDWT Photo Directory - Last Call

We are trying to complete the photo directory once the new club officers have been elected. We need you to stop by the San Diego Woodturning Centre to get your picture, if you haven't already done so. Just check with Ernest at (858) 513-0088 to make sure he is around. He will also be taking pictures at the Christmas party and at the January meeting. We are now missing just 46 of you, so please come by when you can.

We had four new members at the last meeting. They are: Randy Atkinson, Martin Kelinsky, Kelly Sprangler, and Rick LaBarge. We will continue to post pictures in our newsletter and at the Turning Centre for your reference.

TIME TO RENEW YOUR MEMBERSHIP

A brand new 2002 San Diego Woodturners membership card can be yours for \$25.00 if you receive the newsletter via the website, or \$30.00 if you insist on having it mailed to your house.

Starting next meeting, I will be accepting your dues payment in cash, check or charge. You may also mail your dues to me at Don Kaufmann, Treasurer, SDWT at POB 507061, San Diego 92150-7061.

Thanks again to Ira King for the design of our membership card, which he has done for the past several years.

Future Club and Woodturning Centre Programs

We have a very exciting line-up of guest demonstrators for 2003. We have three internationally known turners coming to provide demonstrations to our club. They will also be giving hands-on workshops at the San Diego Woodturning Centre for those that are interested. Coming in 2003 are:

Clay Foster – February 15th
(Clay is known for carving, texturing and enhancements)

Trent Bosch – April 5th (Trent creates vessels that appear to be turned inside others)

Jimmy Clewes - October 18th
(Jimmy does exciting designs)

Clay Foster is a self-taught woodturner, a founding charter member of American Assn of Woodturners and is President Emeritus of Woodturners of North Texas. Clay is mostly known for his deep hollow forms and his artistic carving, coloring and texturing on his pieces. He will be demonstrating these various techniques.

We will provide additional information about the Trent Bosch and Jimmy Clewes Club demonstrations as their dates approach.

If you are interested in taking a three-day workshop with Clay, please contact the Woodturning Centre before the end of December. If several people want to take classes, Ernest will book him for the following week. Advance sign-up is available for Trent Bosch and Jimmy Clewes as well.

San Diego Woodturning Centre Programming Note

Johannes Michelsen has expressed interest to return to the San Diego Woodturning Centre in late April this year for a three-day

hat-making workshop. If there is enough interest, Ernest will schedule Johannes

to come. If you would like to learn how to make wearable wooden hats, please contact Ernest at (858) 513-0088.

The Raffle Report

Since we are having both the Christmas gift exchange and the ornament exchange this month, we will not be having a raffle at the December meeting. We will be back in force in January.

Logo T-Shirts

We have lowered the price! San Diego Woodturner logo T-shirts are now available for **\$10** in medium, large and extra large. They are navy blue with the club logo on the back. See Warren Sherman for yours today.

NOMINATIONS FOR NEW CLUB BOARD MEMBERS ARE NOW BEING ACCEPTED

As mentioned in the last newsletter and at the last club meeting, we are in the process of electing new board members for the San Diego Woodturners. The election will be held at the January 15th club meeting.

The board of directors is responsible for the operation of our club. They vote for club officers, they select committee chairs for: programs, the newsletter, the raffle, the video librarian, etc. They oversee the club's finances.

Part of the process of incorporation is that the group is required to have a board of directors. At that time, the group decided to have 15 directors each with 3-year terms. To keep the board experience somewhat consistent, it was also decided that one third of the board would rotate off each year. So, it is now time nominate members for election to the board of directors.

The bylaws state that a director will serve a 3-year term, but that they may not serve more than two consecutive terms. At the end of each year, the board must nominate a slate of candidates to fill the open seats. The entire membership

votes for the new directors and the top five vote getters are elected. Currently, all of the outgoing board members are eligible to serve again if they so choose.

The current board members, their terms, and year their terms end are as follows. Terms end in December of the year listed.

Outgoing:

Russell Duff - 2002
Jim O'Neal - 2002
Don Owen - 2002
Ken Roth - 2002
Don Werth - 2002

One year remaining:

Nan Bushley - 2003
Tom Cummings - 2003
Ernest Grabbe - 2003
Don Kaufmann - 2003
Mike Lonacker - 2003

Two years remaining:

Pete Campbell - 2004
Joe Fleming - 2004
Oskar Kirsten - 2004
Jim Reeve - 2004
Lorin Youde - 2004

The outgoing members have formed a nominating committee, and the committee is soliciting nominations from you. Please contact Don Owen with your suggestions: (619) 426-1457.
