FROM THE PREZ

Hello Everyone...

I hope you didn't miss it – but a lot of you did. You need to be more aware of what's going on or you will always miss the *good* things. What am I talking about? I am speaking of Michael Hosaluk's excellent demonstration. He was excellent because he talked and demonstrated in a manner that made it *plain* and *simple*, so that I could even understand what he was talking about. It

Woodturning on the Internet: March 17th, 7pm

Did you know that hundreds of woodturners and woodworkers participate in on-line discussion groups daily, and that a number of professional turners occasionally participate? Did you know that there is an internet site that allows woodturners to post their latest creations for other to view for free? Did you know that there are several very good internet sites that have woodturners' resources just a click away? Did you know that dozens of professional turners and hundreds of others have personal websites so that you can see the latest things they are up to including our very own Ed Zbik, Brian Jackson and Oskar Kirsten?

On Wednesday, March 17th, Joe Fleming will provide an on-line tutorial to woodturning resources on the internet. He will spend an hour surfing the net live with the computer's screen being projected onto the movie screen so that everyone can see all of the excellent resources available to woodturners on the internet.

Joe will show various sites for woodturning resources and information; organizational sites like the AAW; manufacturers' sites; suppliers' sites; and even how to shop for woodturning materials on Ebay or hunt for information using Google.

In addition to navigating the sites, he will provide a handout with the links and will provide the same links on the club's website. Plan to bring your internet questions or your favorite sites to share.

"PRESIDENT" CONT FROM P1

was fun to watch him – I wish I had the tool control that he has.... Maybe I need to turn *more* and fish *less*.

I would like to invite you all to my shop on Saturday, March 27 for a mentoring day. The plan is to have four lathes, several mentors, some lunch, drinks (no alcohol), and a nude dancer (Ed Ducharme has agreed to do it....), and then maybe we will turn on a lathe. So get ready with some of your turning problems, questions, doubts and wood blanks.

Don't forget about the **UTAH WOODTURNING SYMPOSIUM** – 25th year (Provo). This promises to be the greatest of all, when you look at the line up of demonstrators. I must admit that the S.D. Woodturning club and meetings have contributed greatly to my turning accomplishments, but the **UTAH WOODTURNING SYMPOSIUM** has contributed the most. Where else can you have the opportunity to see tenor more different demonstrators at any one time? In addition, it is a great time with the EGG CUP RACE, Instant Gallery, and socializing with your friends.

Finally, make plans for the **SD WOODTURNERS ANNUAL BBQ** in May. It is always a great time, but it is always somewhat disappointing as relatively few people come to enjoy. As usual, it is at my home and I will take it as an personal **AFRONT** if **YOU** don't come!!

THE RAFFLE REPORT

That was a fun meeting with Michael Hosaluk. I'm looking forward to seeing the different things that you all will try and bring into the next meeting for the instant gallery.

The winners from the February meeting are: Jim Dossett won the wood burner set; Craig Prince won the Michael Hosaluk handle with a detail gouge and bowl gouge; and Lynn Skoger won the Michael Hosaluk signed book. Congrat's to all the other winners.

The new progressive bowls will be brought in by Craig Prince and Paul Pankrate. Lets see what exciting items they bring in.

The March meeting is going to be about doing stuff on the internet so lets raffle off a year of access to the internet. OK, that won't work so lets raffle off some more useful things like a nice gouge and miscellaneous items that you all need.

I would also like some ideas that you all want to see in the raffle. So if you have something that you want please give me a call and I will try really hard to get the item in the next raffle. Please call me at 858-518-7699

Thanks for letting me serve

Warren Sherman

MICHAEL HOSALUK, FEBRUARY MEETING

February Instant Gallery

NEWS FROM THE WOODTURNING CENTRE

A lot is happening at the Woodturning Centre. We have several of the better know woodturners from around the world coming to San Diego in the next few months. Some will presenting demonstrations at the general meetings of the San Diego Woodturners, others will be here for workshops only.

In February we had Michael Hosaluk from Saskatoon, Saskatchewan, Canada, here.

Jimmy Clewes is returning in March for two back-to-back, three-day workshops. Jimmy was the guest

demonstrator at the San Diego Woodturners' General Meeting in October of 2003 and his follow up workshop was also full and had a waiting list. Jimmy agreed to return to San Diego in the spring so those who missed him in October would have another chance to see him. His first workshop will be on Wednesday, Thursday and Friday, March 10th, 11th and 12th. The second workshop

will follow immediately on Saturday, Sunday and Monday, March 13th, 14th and 15th. The first workshop is about half full already and the second workshop only has two spots open at this time.

David Ellsworth, probably the best known American wood-turner, will be here in April for a demonstration and two-day workshop.

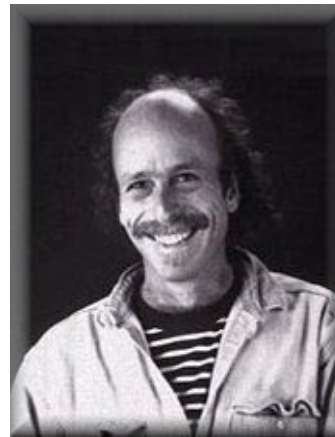

David will be demonstrating at the San Diego Woodturners' General Meeting on Saturday, April 17th, and the workshop will be held on Sunday and Monday, April 18th and 19th. This is David's first trip to San Diego but those that have seen him at other demonstrations or have traveled to Pennsylvania for his workshops have raved about his teaching and ability to make it (seem) so simple.

In June, Giulio Marcolongo will be returning to the San Diego Woodturning Centre, for a three-day workshop followed by a two-day workshop. The workshops will be during the last full week of June, 2004, beginning on Monday, June 21st and running through Friday, June 25th. Giulio has been invited to demonstrate at both the Utah Woodturning Symposium at BYU University in Provo, UT, earlier in June and at the AAW Symposium in July at Orlando, Florida. Giulio has expanded his turning and demonstrating skills from lidded boxes into many other areas. We recently received a photograph of Giulio with a couple his commissioned spindle turnings that were 15 inches in diameter and over 8 ft tall.

October brings Christian Burchard back to us from Ashland, OR, (our 'el presidente's out-of-town

hangout) for the San Diego Woodturners' General Meeting and demonstration on Saturday, October 16th. Christian will hold a three-day, hands-on workshop on Sunday, Monday and Tuesday, October 17th, 18th and 19th. Christian's easy going style and turning skills make him a very popular demonstrator / workshop leader.

We have already begun working on the schedule for 2005 with Hans Weisflogg from Germany filling the April slot for a demonstration and workshop. We will be talking with many other demonstrators and turners during the upcoming months. If you have someone you would like to see or be in one of their workshops, please let us know and we will see if we can get our schedules to match.

For additional information on our workshops and demonstrations, please visit our website at www.sdwoodturning.com or call us at (858) 513-0088

Utah Woodturning Symposium

The 25th Utah Woodturning Symposium will be June 10th through 12th with a pre-symposium sale and demonstrations at Craft Supplies on June 9th. San Diego always sends a large contingent to the symposium where 15 to 20 national and international demonstrators show turning techniques, skills and tools for all ability levels. The event also includes an awesome instant gallery, a barbecue steak picnic, a swap meet and the ever-popular egg cup races.

Craft Supplies' sale is all full of goodies and the demonstrations are free all day.

The fee is \$220 if you register prior to April 10th or \$270 after that. \$110 for spouses. Local accommodations are around \$60 per night. If you are interested, log on or please see a board member for info.

When you register, the Symposium will mail you complete information about lodgings, etc. You don't have to wait, however, for that if you intend to go. Just ask Nan Bushley, Ken Roth or any other board member for suggestions on accommodations. See the Symposium's website at:
