San Diego Woodturner's 4th Annual Mini-Symposium Saturday, July 10th, 8:30am

SHAVINGS

FROM THE PREZ

Hello Everyone...

Once again, if you decided to pass on the Take a Turn Saturday, you missed something special. Everyone had a great time. We are most appreciative to Gulio, Grant and Joe for coming and sharing their talents with us.

Our summer continues to be quite busy. We had more than 25 people attending the Utah Woodturning Symposium. The Symposium had more than

We are very excited about our 4th Annual Mini Symposium. Now that we are on the fourth edition, we feel that we have a winning formula for a great day of turning and learning. This year like in the past, we are featuring several of our own club members demonstrating

what they do so well and love to do. We also are please to welcome two regional turners to the demonstrator list. Art Fitzpatrick is an Orange County resident and past president of the Orange County chapter of the AAW. Steve Dunn, among

other things, operates a woodturning school in the Los Angeles area and is a regional wood dealer for turners.

The fee for the symposium will be \$20 for members of the San Diego Woodturners and \$25 for guests. No pre-registration is necessary.

We will provide a deli service for lunch for about \$6.00 (sandwich, chips and soda), or you may go to one of the nearby fast-food establishments.

700 registered participants which is a record. They published an excellent book called Beneath the Bark which displayed works from 25 years of the symposium. There was also an excellent gallery at the university displaying these works and more.

The Fair is running strong. Many thanks to Lorin, Tom and all those volunteers that have made our participation in the Fair a success.

Our next event is the annual Mini Symposium. We will have 16 different rotations for participants to attend to learn everything from beginner projects to advanced techniques. Plan to attend to learn and partake in the other activities including a super raffle, an instant gallery, and a number of vendors selling their wares.

Coming up is the Top-a-Thon at the Harvest Festival in September and another Take a Turn event in November. We also will welcome Christian Burchard in October.

Your Board tries to set up programs to support your turning needs. If you have questions or suggestions for topics or demonstrators, please let a board member know your desires. We listen to your ideas.

Keep on turning

WE TOOK A TURN!

Good advice or a Caltrans work crew?

Ernest provided ten lathes and Joe and Tom provided a couple of mini lathes to turn tops.

Probably the biggest benefit to all participants was the knowledge shared among turners.

Never enough good advice

On June 19th, somewhere between 30 and 40 San Diego Woodturners spent the day Taking a Turn. Dozens of tops were turned, vessels were hollowed, bowls were designed, and gouges were sharpened.

Gulio Marcolongo (from Australia), Grant (from New Zealand) and Joe Wagner (from Ireland) provided an international flavor.

Winding the tailstock is a two hand operation

The Board has decided that we will host another Take a Turn in November with a focus on small gift items. This will be on November 13th so mark your calendar.

 Christian Burchard - Oct. 2004
 Hans Weissflog - April, 2005

THE RAFFLE REPORT

June's meeting was fun everybody did some turning and we all got to hang out and talk. Our raffle winners were Don Owen with the bowl gouge, Pete Campbell drew the skew. Our two bowls of the month will be brought in by Norm Burkhart and Rusty Nelson. We are looking forward to what they turn and bring into the next meeting.

For the Mini symposium's raffle we will have a chuck or two along with a mini lathe some turning tools and some more accessories that we all could use and just don't want to buy. So everyone needs to come out and see all the different demonstrators and buy lots of raffle tickets.

If you have any items that you would like to see in the raffle please call me.

Thanks for letting me serve, Warren

Design in Wood Exhibit at the San Diego County Fair

The San Diego County Fair has been a huge success. The demonstrations have been very well received. Lots of kids are going home with tops too.

Several San Diego Woodturner members have done very well. Mike Jackofsky and Richard Trujillo both won first place ribbons in Face Work and Center Work categories. Many other won other places and honorable mentions. Congratulations to all.

The Fair closes on July 5th. Tear down will be on July 6th. Many hands make light work.

The Toys for Tops fundraising has also been successful. We've raised over \$1,300 through June 22nd.
