FROM THE PREZ

We had great turn-out for our last meeting, probably because I was there. Oh yea, Hans Weissflog was demonstrating, but It was a very good demo showing his techniques for his Saturn Box among other things. The demonstration was enjoyed by all.

It's Picnic Time!!

Saturday, May 14th

Pat and Ken Roth will host the San Diego Woodturners' Picnic at their palatial estate home in Poway on Saturday May 14th, from 10:00 AM until 2:00 PM. The Roth's picturesque country setting backdrops the most popular family event of the San Diego Woodturners' calendar year. The raffle will feature many turned pieces donated by some of the club's most outstanding turners. This will be a chance for you to get an outstanding, one-of-a-kind piece for your pleasure and enjoyment. Then there will be our regular instant gallery where we will undoubtedly see some of the outstanding pieces that will appear at the Del Mar Fair.

Wait! Our woodturning contest for this year's picnic will be lidded containers. Winners will be selected in each of the following classes: under 4" in diameter and tall; over 4" in diameter and tall; and most whimsical. Winners in each catagory will receive \$25 gift certificates.

Now for those of us who like to eat we will not be disappointed. Our own in-house caterer, Art Bolic, will dazzle and delight us with his wonderful selection of culinary delights. If you read his column you know that he places them second behind his family and that is only because his wife reads this newsletter also. This event is worth it just for the food alone.

The cost for all of this will be a mere ten dollars per person, same as last year, and kids 10 and under will get in free!

If a board member hasn't already contacted you, please RSVP to Ken Roth (858) 487-4814 to let us know you are coming. Tell us how many people.

See page three for directions to the picnic.

"PRESIDENT" CONT FROM P1

next meeting is one of the GREAT ones of the year. It is the most fun and enjoyable, yet rather poorly attended. It has great food, great camaraderie, a spectacular raffle of wonderful turned pieces donated by the likes of Mahoney, Weissflog, Bushley, Fleming, Roth, etc., and a visit to Pat and my "palatial estate" (so called by our former president, Don Owen) with a creek, rocks, grass, etc. for the kids to play on and in. What is this wonderful event?? The SD Woodturner's annual BBQ. Come this year and enjoy.

Your club has recently purchased 2 Jet Mini lathes and stands through the AAW (American Association of Woodturners) for use in our Top-a-thon activities, and demonstrating/teaching. They will be a great addition to our on-going programs, beginning with our demonstrating at the Del Mar Fair.

Our up coming schedule is full with the Utah Woodturning Symposium in June, the Take-a-Turn meeting a week later, and the Mini-Symposium in July. Also starting in June will be the Del Mar Fair Designs in Wood. I am looking forward to seeing you ALL during these activities- starting May 14 in my backyard.

Design in Wood Exhibit at the San Diego County Fair

It is not too early to be thinking about the San Diego County Fair (formerly known as the Del Mar Fair). Once again, the San Diego Woodturners will have a demonstration booth in the corner so that we can help to show what we do to the public. Our booth is always one of the most popular attractions in the Design in Wood Exhibit. Hours of operation will be 10am to 2pm and 2pm to 6pm. These shifts are every day. Two people per shift is best. The Fair starts June 10th and runs through July 6th. Please call Lorin Youde for additional information or to sign up. You will receive two free passes to the Fair for every shift that you work. You will also receive free Green lot parking for every day that you work which includes a shuttle to and from the exhibit with your tools.

Additional information is available on the San Diego Fair Website: <http://www.sdfair.org>

A Gallery Opportunity from Ken Haines

I am writing this in the hope that you may consider placing some of your work into a gallery in North County.

I am currently displaying and selling at the ARTISAN GALLERY, 224 East Grand, Escondido. Carl, the owner, has approached me with the proposition that if enough woodworkers were interested, he would give us an entire room dedicated to wood. He has two (2) rooms available. One is 350 sf. that leases for \$500/month and the other room is 500/550 sf. that would lease for \$800/month. He would like to see us take the larger room, and agree because of location within the building. All utilities are paid, shelving would be provided, and the commission on sales would be 15%.

This would be similar in scope to Gallery 21, that we have in Balboa Park with the exception that we DO NOT have to staff it. He has also asked if I would set up a lathe in one area where demonstrations could be given, for which he would provide the signs, etc.

I would like to get as many people as possible interested/involved (12-15) to bring the individual rent shares down to a manageable level, (I would prefer to pay no more than \$60/month). The owner does give a discount if you pay your space rent in advance.

From personal experience it's a great gallery. I've been there over a year and a half and have really enjoyed it. The owner also prints invitations that are sent out approximately every two-three months for an open house at the gallery, with finger food, punch, wine, etc. for a "Meet the Artist" type evening which works out well.

Should you have any questions or concerns, please email or call me (kenhaines@cox.net or 760-432-0563). You can also visit the gallery to check out the spaces and meet the owners, Carl and Jeanine Dahlquist.

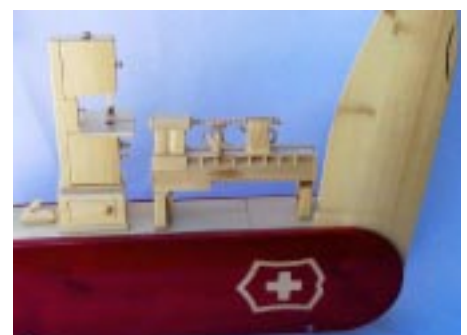

Please get this out to anyone you think might be interested. As I have stated previously, I would like to see 12-15 people participate. As of this moment, I have 4 people, possibly 5, willing to participate. I am trying to get the word out, not to just woodturners but also to woodworkers and furniture makers. I think it would help very much to see women included/involved in this gallery. I responded to Ken Roth's email that I would consider buying a lathe for the gallery, as I believe it qualified as a teaching gallery.

In closing, if you know of anyone else who may be interested, please pass this on and have them get in touch with me.
